

Out On the Town!

Rusty and his friends are out on the town for a good time. All of Rusty's friends want to buy something at the concession stand, but no one can spend more than their allowance from their mom. Figure out the most expensive item each person can buy and answer the questions below.

 Chips - \$.79	Ben's Concessions	 Peanuts - \$1.15
 Popcorn - \$1.27		Big Pretzel - \$1.55
Pizza - \$2.24		Hotdog - \$1.73

Rusty

Amount of money from mom - _____
 Item purchased - _____
